**Subject:** Use of Apparatus During  
Parades and Ceremonies

**Date:** May 7, 2008

It is the policy of the Tully Fire District to assure that the apparatus is available at all times for emergencies in the fire district.

During Parades and/or other ceremonies the following procedures will be followed;

1. Parades/Ceremonies within the district – The use of any fire district owned apparatus is allowed.
2. Parades/Ceremonies held within our bordering fire districts which include Apulia Fire District, LaFayette Fire District, Otisco Fire District, Preble Fire District, and Truxton Fire District - The use of Tanker 21 Only.
3. Parades/Ceremonies held in any district not identified above – The use of Tanker-21 Only.

The Fire District must assure that the proper apparatus and equipment is at the “ready” at all times for the purpose of responding to emergencies.
